CREDIT UNION COMPLIANCE UPDATE

Compliance is a huge part of credit union operations. Any changes made or policies updated are governed by the NCUA, MCUL, and/or your elected Board of Directors. First and foremost, these policies and disclosures are put in place to protect our members. If you have any questions regarding our rules and regulations, please don't hesitate to ask.

Beginning July 1, 2020, Section B of the Funds Availability disclosure will change as follows:

B. Longer Delays May Apply. In some cases, we will not make all of the funds that you deposit by check available to you on the same business day that we receive your deposit. Depending on the type of check that you deposit, or if the deposit is made at a non-proprietary ATM, funds may not be available until the second or fifth business day after the day of your deposit, respectively. However the first \$225 of your deposit (increased from \$200) will be available on the same business day, except in the case of a deposit at a non-proprietary ATM.

In addition, the funds you deposit by check may be delayed for a longer period under the following circumstances: **a)** We believe a check you deposit will not be paid. **b)** You deposit checks totaling more than \$5,525 on any one day (increased from \$5,000). **c)** You have overdrawn your account repeatedly in the last six months. **d)** There is an emergency, such as a failure of communications or computer equipment.

IMKFCU WANTS TO HELP YOUR KIDS FIND MONEY MAGIC!

Promoting the financial health of our youngest members

Providing financial education embodies the movement's 'people-helping-people' philosophy. The theme for this year's Youth Month is "MoneyMagic. Share, Spend and Save at Your Credit Union".

Together, we're encouraging our youngest members to learn common financial concepts kids should understand:

- ▶ Saving
- ▶ Spending
- ▶ Charitable giving
- ▶ Investing
- ▶ Budgeting

As more Americans seek financial guidance and more credit unions begin to offer services like financial counseling, it's essential to consider initiatives that also educate young members. If parents have trouble managing money, you can imagine that it's going to be even more challenging for them to have conversations about money with their kids. IMKFCU can serve as an important ally for parents in their mission to teach their kids to be financially responsible. Providing this kind of support and education can help build long-term member loyalty.

If you have been wondering how to empower youth to save for their future, National Credit Union Youth Month is a great opportunity to start or boost your youth initiatives! Join us this April as credit unions across the country focus on educating youth about financial health. This year's kid-friendly theme emphasizes the benefits of wise saving and spending using a cast of whimsical, kid-friendly characters. This celebration is a great time to engage kids at IMKFCU and within your community to help them develop healthy money habits.

Get involved by using the Twitter hashtag [#CUYouthMonth](https://twitter.com/CUYouthMonth) to let everyone know how your credit union is making a difference in young members' lives.

As in years' past, the IMKFCU will have a Piggy Bank Guessing Game along with a coloring contest for some awesome prizes. We encourage our young members to come in with their parents and learn more about making saving easy and fun.

NEW MOBILE APP

We heard you loud and clear, and we're happy to introduce our new and improved Mobile App! Search IMKFCU in your app/play store to download it for free. Bugs have been fixed, biometrics added (if applicable to your device), secure messaging to your credit union at the tap of a finger, and a modern, user-friendly interface — all these are available at long last. If you're new to Home Banking, our new app makes it even easier to enroll! Just download the app, follow the prompts, and voila! Your own personal IMKFCU branch at your fingertips!

Note: When transferring funds via app or from your desktop version, it's encouraged that you do not use special characters if you add a memo or description. Special characters in this instance cause transaction histories to disappear.

ANNUAL MEETING POSTPONED

Following state mandates, our 72nd Annual Meeting will be postponed until further notice. Our members' health and safety is the most important aspect of what we do, and postponing the meeting to ensure everyone's safety is in the best interest of the membership. Thank you for understanding.

MEMBER TESTIMONIAL

Thank you to Angela Adam at IMKFCU for her efficient and awesome service! In the last two days, we bought a truck and sold our car, and the total time it took us at the credit union for both transactions was about 15 minutes. She goes above and beyond her duties and is so great at what she does. Thank you, Angela, and IMKFCU, for making my banking easy and convenient!
