

# How to enroll in Mobile Banking

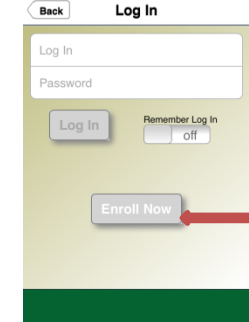

1. Search for "imkcfcu" in your app store

2. Install the **FREE** IMKCFCU Mobile app. Click on **OPEN** once installed.

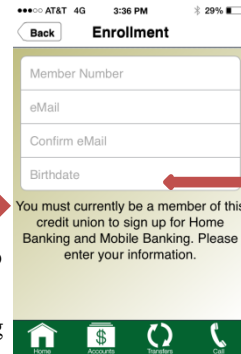

Our App

\*Click on **ACCOUNTS** to bring up this Log In Screen

3. Enroll your account in Mobile Banking

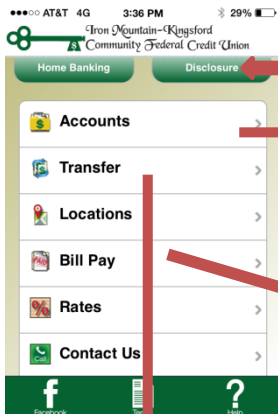

Please note: This is the Birthdate of the **Primary Owner**

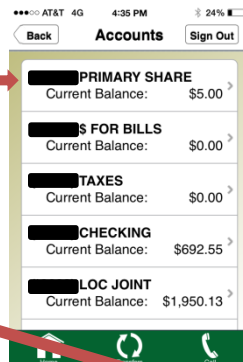

Please note: You must also be enrolled in Homebanking

**BEFORE** enrolling in Mobile Banking. Homebanking Security Questions will need to be answered to complete enrollment in Mobile Banking.

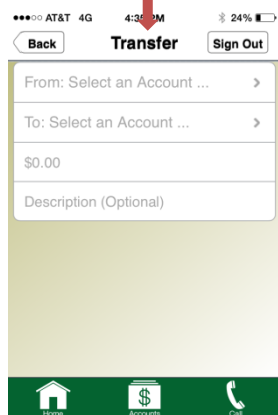

## Once enrolled

Disclosure

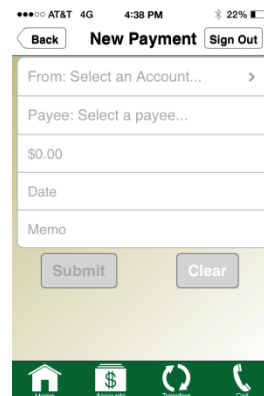

The accounts tab will show all of your accounts under this log in. Click on the account to view a recent history.

The transfer tab allows you to transfer funds among the accounts listed in the accounts tab. You can not transfer funds to an account NOT within the accounts tab. You may type your own narration for the transfer if you wish.

\*Reg D may apply- refer to EFT Disclosure

If you are enrolled in Billpay on Homebanking, you will be able to schedule payments to your payees.

**PLEASE NOTE:** If you lose or change phones, let us know immediately so that we can delete the device from your account profile.
