

Iron Mountain-Kingsford  
Community Federal Credit Union

*The KEY to your Financial Future!*

## MISSION STATEMENT

The Iron Mountain-Kingsford Community Federal Credit Union is a member-owned financial cooperative which endeavors to: Encourage all potential members to participate in our organization so they and the credit union may benefit from their membership; Encourage thrift among our members; Provide a source of credit at a reasonable cost for provident and productive purposes; Provide other financial services at reasonable costs in a convenient manner by a professional service-oriented staff; and Maintain a strong financial stature in the community so we can continue to provide for the financial well-being of our members.

Thanks to you, we are  
**10,221 MEMBERS STRONG**

## CU KIDS PROGRAM

The "CU KIDS PROGRAM" is a program that provides for all our local youth.

This program has been around for over 30 years! We provide small gifts to hospitalized children, necessities to the Caring House, help with local Easter Egg Hunts, purchase winter gear, provide food donations to Backpack Blessings, supplies for goodie bags for the City of Kingsford Christmas, put up an Amazing CU Giving Christmas Tree each year, and so much more! This is where the credit union's Philosophy of "People Helping People" shines the brightest.

This program is 100% funded by our employees and our community! Whether you're turning in your Tadych's Marketplace/Super One Foods receipts, or making monetary donations to our CU Kids cups placed around the credit union, YOU are continuing to support our local kids.

With that said, IF YOU WANT TO HELP, please drop off your grocery receipts from Tadych's/Super One Foods and watch for our upcoming bake sales in the lobby. Monetary donations are always accepted at any teller window. Remember, it's about the kids!

## ANNUAL MEETING

Thank you to everyone who attended! If you were unable to attend but would like a Report of Financials for 2024, they are available at the credit union for pick up. 160 members were serenaded by the strings of Datura. It was wonderful to see members of all ages, from 17 months to 87 years, come together to participate in our membership meeting.

We held our first bake sale on March 17th and would like to thank everyone who stopped and purchased items! We were able to raise \$1,006.50! To say we are blessed to have members like YOU is an understatement!

### MARK YOUR CALENDARS!

Next bake sale will be **May 1st**

## PRESIDENT'S MESSAGE

I would like to thank all our members for continuing to support the credit union. Your credit union will continue to strive to provide the best products and services we can in our ever-changing world.

I would also like to thank everyone for their continued patience during our renovations this year. When you enter, you will see that we have opened the teller lobby, installed new countertops and window treatments, and have added a fresh coat of paint. You may have noticed the burgundy color is being replaced with a refreshing greyscale. After serving our members for 25 years in our current location, it was time for some improvements. We hope you enjoy the updated surroundings when you come to visit us.

With that said, we are looking for LOCAL artwork and/or pictures of Dickinson County to have displayed on the walls of the credit union!

Scott Dickman, CEO/President

**If you have some artwork and/or pictures that you would like to share with the community, drop off a copy or submit to: [amanda@pcbranch.com](mailto:amanda@pcbranch.com).**

***We will be accepting submissions until May 23rd, 2025.***

## BOARD OF DIRECTORS

### FAREWELL & THANK YOU

Thank you to **James Pericolosi** for serving on our Board of Directors for the past six years. We appreciate all of your time and dedication to the credit union.

***You will be greatly missed, and we wish you the best!***

### WELCOME GEOFF WHITE

Welcome Geoff White to the Board of Directors! We look forward to adding your experience and talents to our Board.

Geoff has been a member of the Iron Mountain-Kingsford Community Federal Credit Union for 13 years. He is the owner of True Bear Engineering, LLC doing business as Appleton Control Systems. Geoff graduated Purdue University with a MS of Engineering, Michigan Tech with a BS of Mechanical

Engineering and Thunderbird School of Global Management with a Certificate of Global Management.
